

SAS Job Opportunity for Vermillion Group

Senior SAS Programmer Analyst needed in DC or Minneapolis.

One of our clients with offices in the DC area and Minneapolis is looking for an experienced SAS Programmer Analyst for their health outcomes and benefits strategy division. At least 4 years' experience working in SAS and with very large health claims data sets is a MUST. You will have the option to work in either their DC or Minneapolis location.

Please contact me at 1-800-203-0705 ext 120 or submit your CV to hws@vermilliongroup.com for confidential consideration. I look forward to speaking with you soon.

Sincerely,

Hazel Spargo, Account Executive
